

BASEMASTER SCALE

Compact Portable Precision Made Simple

1 Summary

The BaseMaster Tabletop Scale is designed for **portability and ease of movement**, making it ideal for dynamic production and quality control environments.

Powered by either a **rechargeable battery or mains connection**, it can be easily moved between benches and workstations, allowing teams to deploy accurate weighing exactly where it's needed, without disruption or downtime.

2 Product Specifications

Model:	BaseMaster Table Top Scale
Dimensions (DxWxH):	255mm x 200mm x 75mm
Weight:	2.2kg
Frame:	304 Stainless Steel
Capacity:	5kg x 1g
Weighing Plate:	175mm x 165mm
Power Supply:	12V adapter - 6 x 1.5V Batteries
Display:	32mm Backlit Display

3 Key Features & Benefits

Features	Benefits
Low Battery Indication	Portable & Lightweight
Multiple Weighing Units	Low-Maintenance
Auto Calibration	Consistent Accuracy

5 Industries

FRESH PRODUCE	CONVENIENCE FOOD
FISH	MEAT/POULTRY
DAIRY	HERBS

7 Warranty and Liability

Warranty Period: 1 year manufacturers warranty is included from the date of installation

4 Product Specifications

- Parts Counting Function
- Internal process applications only
- Supplied with rechargeable batteries and mains adapter
- Operating Temperature 0 - 40°C (32 - 104°F)

6 Compliance and Certifications

- IP Rating IP-65
- Supplied with Calibration Certificate

8 Service & Support

The **MARCO Hi-Care support programme** is offered with all our products to ensure that your MARCO system is fully supported in the most efficient and timely manner. [Find out more](#)
